Step Back in Time...

... to the 1920's when hundreds of oyster schooners graced the Delaware Bay.

Come aboard the A.J. MEERWALD for a 2 ½ hour sail and join the crew, if you so desire, in raising the 3,500 sq. feet of canvas sail. A crew member will then present a hands-on education station (tailored to the water of each port of call), a pictorial history of the schooner, and other interactive opportunities. You may join the presentation or just sit back, relax, and enjoy the sail!
